MEMBER JIM BURNS DONATES
RARE BOTTLE TO CLINTON HISTORICAL SOCIETY
Dear Members,

I hope everyone had a good Labor Day week-end. If we’re lucky we will have a beautiful fall season. There are 4 great bottle shows for early fall. First the Buffalo Show, followed by Dreyden, NY, Keene, NH and then the fall Syracuse show at Scriba, NY. See page 9 of this newsletter for details.

Usually we have the lightest meeting attendance for the month of August because of the Bouckville Antique Show and some people are away vacationing. However, we had 32 people (not bad) for the August meeting and they enjoyed the program Ron Weir did on colorful Wheaton Bottles. Thanks Ron for a good job.

THE JOE KELLY SHOW – Our own TV celebrity member Fred Capozzella appeared on The Joe Kelly Show on August 13 at 10:30. Fred was told it would be 10 am but it was 10:30. Unfortunately, the TV Guide listed paid advertising for the time slot and some people missed it. If you go on the internet you can see a recording of the show. In parts 2 & 3 Fred talked about our club and upcoming September bottle sale. If you missed it, Google, “Joe Kelly Show” and see it on the internet. Thanks Fred for promoting our club and bottle sale.

Our September meeting will be our Annual Giant Bottle Sale. It is a great event and a small fund raiser for our Club. What I like about this event is that people get a chance to mix and chat with their friends. A great time!

I HOPE TO SEE EVERYONE AT
OUR MEETING THIS MONDAY SEPTEMBER 11TH

Best Regards,
Jon Landers

ON THE FRONT PAGE
Photos of a rare quart blobtop F. H. SUPPE mineral water bottle. This beautiful amber root beer color bottle has a lot of historical value. This bottle was used when Suppe owned the mineral spring and was running the Franklin Iron Works. Shortly after this time the name of the small community of FRANKLIN IRON WORKS, N. Y. was changed to FRANKLIN SPRINGS, N. Y. (near Clinton, NY). The bottle was donated to the Clinton Historical Society by member Jim Burns. A very generous gesture Jim and your bottle will help preserve our local history.

CLUB DIRECTORY AND 2017 DUES
The October newsletter will contain the 2017 membership list and directory. Please remember to pay your 2017 dues by October 2 to be listed in the membership directory. RARE O C JARS WITH LABELS
By Matt Lenhart

The photo of the jar on the left c1867 is owned by a resident of Vernon Center (notice the old spelling of Centre on label). This jar is embossed O C on the back in large letters. The letters stand for Oneida Community. Why S. Moses used O C jars, it is not known. There are at least 3 jars known with these labels. Member Mark Yates recently bought one of these jars from Dave Olson of Florida. So two of the three known labeled jars are owned by local people which is good. The jars without the labels are very scarce but the labeled ones are rare.

The copy of the advertisement at the bottom of the page is from the September 5, 1867 issue of the Clinton Courier. S. Moses sold fresh berries as the ad implies, but the label on the bottle shows that he also bottled them.

The first drawing is titled, "A GATHERER GETTING THE METAL READY FOR THE BLOWER." The metal was the molten glass.

The second drawing is titled, "AMONG THE FRENCH BOTTLE-MAKERS." The boys on the right are holding a tool called a snap case on a pole. After they stopped using pontil rods about 1865, snap cases were used to hold the bottle for the glass blower while he put a tooled lip on the bottle.

AT LEFT: Member Ron Weir presented a great program on colorful Wheaton bottles at our August meeting. We had a good turn-out for the program. A great time was had by all.

BELOW: The Vernon Historical will have author Richard Williams of Clinton as a guest speaker for their September 26 meeting. Williams will discuss his book, FARMS AND BARNs OF KIRKLAND, NEW YORK. One of the photos in his book is of the Crane Dairy in Clinton which was owned by our beloved member Barbara Crane and her late husband Ken Crane.

The meetings are held at 7:00 pm at the Vernon Town Offices at 4305 Peterboro Street in Vernon. The Town Offices are easy to find. Turn left at the four corners in Vernon (at the Nice & Easy Store) and proceed 1 mile. Town offices will be on the right after the school. Meetings are free and open to the public.
